Volume 6 As Of: 12/31/09

## 4th Quarter New Business

During the 4th quarter, 15 new business policies were issued! This does not include any new business that was written with an effective date of January 1, 2010. Please also remember, when submitting applications for consideration, that SCHBSIF will quote policies whose only classification is 5606 (Contractor Executive Supervisor) as long as the contractor is performing some type of installation work at the job site. This installation work can be done by employees or insured subs. For any questions regarding new business please contact our office.

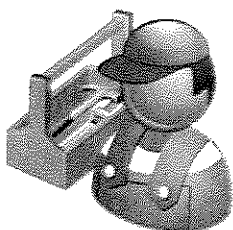

## Surety Bond Update

**It's here** — the option to purchase a Surety Bond in lieu of paying a deposit is now in place. This option is available for renewals and new business policies. Please visit our website to obtain a copy of the Bond application. Also, please note that the entire top portion of the application must be completed before we can submit it to the Company for review. If you have questions regarding the Surety Bond do not hesitate to contact the SCHBSIF office.

The South Carolina Homes Builders Self Insurers Fund (SCHBSIF) provides a quality workers' compensation program for qualified builders and sub-contractor members of the HBA of SC. The Fund offers a cost effective, stable, and reliable workers compensation program.

Designed by builders for builders, it also provides more effective control over workers' compensation costs and claims which result in direct savings for member companies.
